

AKILLIS

JOAILLERIE PARIS

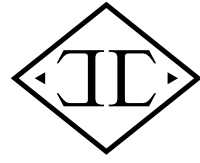

Driven by an extraordinary creative energy, Caroline Gaspard offered her vision of free-spirited jewelry with the creation of Akillis in 2007. More than just jewelry collections, it's a genuine homage to unisex and universal beauty.

REMAINING FAITHFUL TO ITS CREATOR'S CHARACTER, AKILLIS IMBUES STRENGTH INTO THE ESSENTIAL, BLENDING GRAPHIC DESIGN WITH SHARP FORMS. IT'S THE EMBODIMENT OF CREATIVITY DRIVEN BY CHALLENGE, ADRENALINE, AND A LOVE FOR LIFE.

In resonance with this boundless imagination, Akillis strikes the perfect balance between traditional craftsmanship and mastery of cutting-edge technologies. It's a true challenge that Caroline Gaspard continually embraces.

AKILLIS

JOAILLERIE PARIS

CAROLINE: IT'S PURE ENERGY! AND IT'S PRECISELY HER DISRUPTIVE TEMPERAMENT, HER THIRST FOR NOVELTY, HER VITALITY, AND HER LIMITLESS AUDACITY THAT THE CREATOR INFUSES INTO AKILLIS.

Caroline marries instinct and adrenaline to these criteria demanded by her nature. She charges ahead, gravitating towards sports, games, and activities that blend risk and precision, speed and concentration, combativeness and perseverance.

THIS IS HOW SHE IMBUES HER PIECES WITH A FORCE THAT IS FELT WHEN WORN. THE IMPUDENCE OF HER COLLECTION'S BLENDS WITH A LIVELY AND SPARKLING SENSE OF HUMOUR. LOVE, PASSIONATE, UNREASONABLE, AND ECCENTRIC, IS NOT GIVEN, BUT IT BECOMES A PERPETUAL CONQUEST.

THE IMPUDENCE OF HER COLLECTION'S BLENDS WITH A LIVELY AND SPARKLING SENSE OF HUMOR. LOVE, PASSIONATE, UNREASONABLE, AND ECCENTRIC, IS NOT GIVEN, BUT IT BECOMES A PERPETUAL CONQUEST.

By trusting who she is, without fearing the judgment of others, she envisions a new spirit of jewelry, avoiding all compromises.
