A VIBRANT LOVE

THIS YEAR, AKILLIS IMAGINES A VALENTINE'S DAY FULL OF COLOR FOR ITS NEW CAMPAIGN.

Ardent and diverse love is for Caroline Gaspard,

founder and designer of the jewelry brand, her vision of relationships between two persons who love each other. Its goal: to convey the very essence of an intense and true relationship.

Parma, flamboyant and hypnotizing, becomes the symbol of a multi-faceted love, according to Akillis.
