AKILLIS VIBRATES TO THE HOLIDAYS RYTHM

FOR MORE THAN 15 YEARS, AKILLIS DEFIES THE MORES OF THE PLACE VENDÔME.

Like its founder, Caroline Gaspard, AKILLIS is passionate, rebellious, and intrepid.

Akillis takes the risk to be different and allows everyone to fully assert their personality.

WEARING AKILLIS IS EMBRACING A NEW SPIRIT OF JEWELLERY, UNVEILING ITS PERSONALITY, STRENGTH AND FREEDOM.

This winter, AKILLIS sets jewellery in motion and invites self-expression through dance.

A combination of taut lines, fractures, rises, descents or breaths, this defines AKILLIS' vision of dance; a rhythmic flow of emotions symbolizing every moment in life.

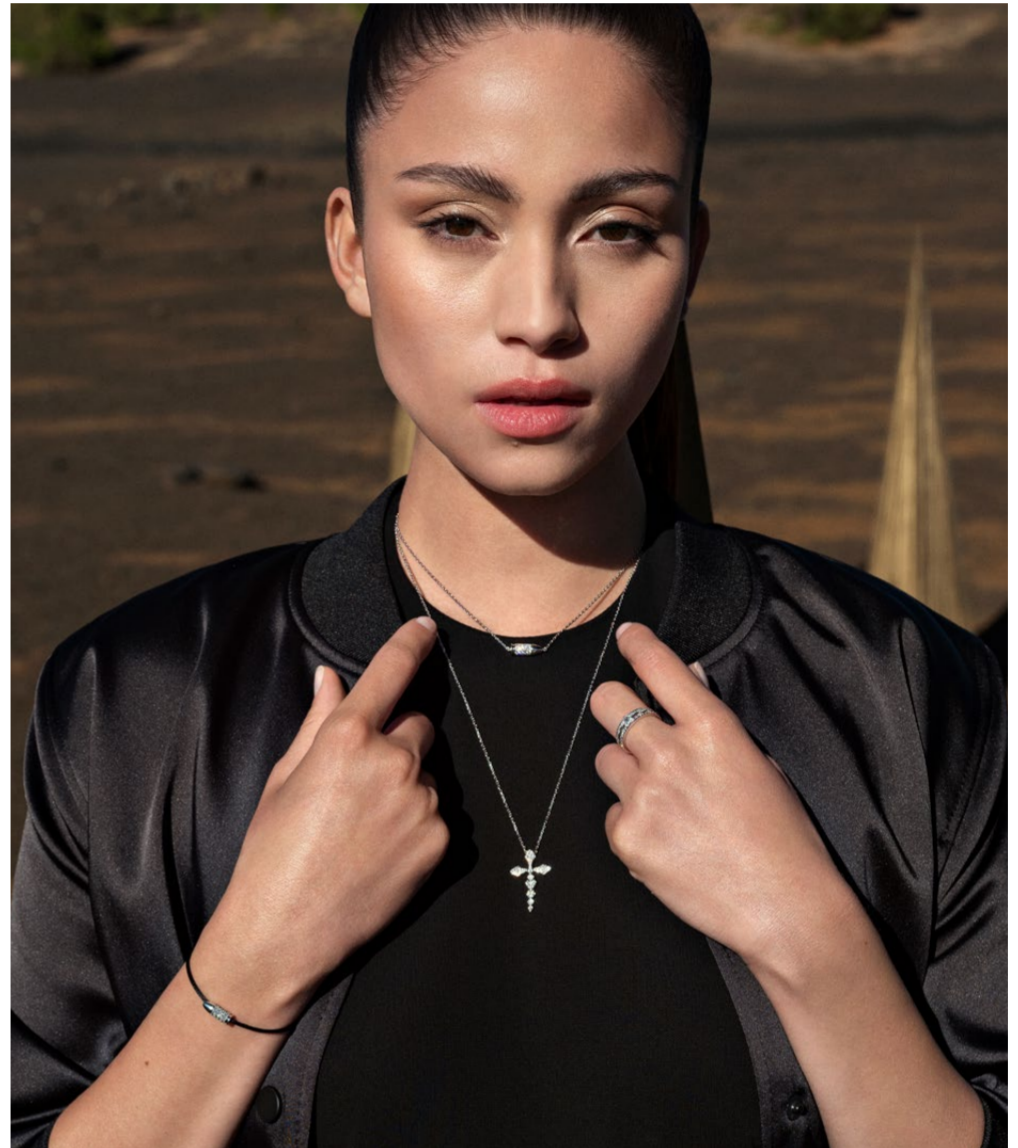

AKILLIS celebrates life and the desires to come together during the holidays season. It's an expression of universal love, a true ode to beauty within a dreamlike and graphic landscape unique to the brand.

This brand-new Squad, made up of dancers and muses, powerfully appropriate AKILLIS' collections pieces. Strong personalities, driven by a shared ambition; Boldness, freedom, a will to break boundaries. They assert their style through jewellery creations, symbolising their radiant energy and independence.
