AKILLIS' RENDEZ-VOUS

THE FRENCH JEWELER INVITES YOU TO FOLLOW ITS #RENDEZVOUS: CAROLINE GASPARD, FOUNDER AND DESIGNER OF AKILLIS, INVITES FRIENDS OF THE BRAND TO SHARE HER PASSIONS FOR CHALLENGES, ADRENALINE AND TRANSCENDENCE.

For this first season, Caroline Gaspard shares with us one of her addictions, sport. She meets the six-time kickboxing world champion: Cyril Benzaquen. Determined and passionate, he adopts the Fatal Attraction collection which for him, more than a jewel, embody the talisman that expresses his personality.

Reaching his target without ever deviating from his trajectory is what Fatal Attraction and Bang Bang collections represent, giving Cyril the strength to achieve his goals with righteousness and conviction.
